2022-2025 Public Works Contractor

Confirmation of liability coverage is required.

Must supply own equipment.

Please submit a quote for the items below by March 31, 2022 to info@silverbeach.ca

For the larger items, such as grass mowing, there could be a weekly rate, and for items such as general clean-up an hourly rate. Please have the garbage can rate separate so Council can decide on that service separately.

GRASS MOWING and PUBLIC WORKS SERVICES

As needed: ~ May - Sept Long week-end, weekly cutting

- (a) the Contractor shall mow and trim (whipper-snip) Ouimette park on a weekly basis, or as required depending upon grass growth;
- (b) the Contractor shall clean the bathrooms and empty garbages at Ouimette park on a weekly basis;
- (c) the Contractor shall mow all Summer Village ditches on a bi-weekly basis, or as required depending upon grass growth;
- (d) the Contractor shall aerate Ouimette park in the spring, and provide a leaf clean-up in the fall;
- (e) the Contractor shall weed the sand area in Ouimette park, trim poplar sucklers on the beach and in the sand, and rototill the sand areas in the playground area and the volleyball area. If this is required more than 3 times in one season, permission must be given by the Summer Village prior to the work being completed.

Garbage Cans (OPTIONAL)

- Move the residential garbage cans back to property line on Tuesdays, weekly during the summer months and bi-weekly during the winter months.

Weed Inspector

- As per the Summer Village requirement to appoint a weed inspector to enforce and monitor compliance with the Alberta Weed Control Act.

Miscellaneous

- Pick up garbage as needed

Please provide three (3) references of previous related work
